

Job Title: Branch Maintenance Lead
Location: Dieterich
Reports to: Branch Manager
Salary: \$12 - \$18 per hour (*incentives per established scale*)

Required Education and Experience: High School Diploma or GED. Associate's degree in Ag Power is preferred.

Job Requirements:

- Ability to read, analyze and interpret common data.
- Obtain and maintain a CDL and necessary endorsements
- Demonstrates ability to interact effectively with management and customers.
- Follow all established company safety and personnel policies
- All established company personnel and safety policies must be followed at all times.

Essential Functions:

This is a branch maintenance position that is responsible for ensuring that all equipment and facilities are properly maintained according to the company's operational and safety standards as well as those of any regulatory agencies. The person in this position will work closely with the corporate shops and other branch employees to achieve this goal.

During the off season, you will be responsible making sure any necessary repairs and preventative maintenance are performed to all branch equipment and facilities in order to ensure that they are in the best possible working order when the season begins. During the busy seasons, you will operate a service truck and assist both our customers and our operational employees with the setup, calibration, troubleshooting and repairs of toolbars, application equipment, and facilities. You will also be responsible for maintain an adequate parts inventory at the branch as well as ensuring that all maintenance records are being properly kept and reported. Experience in auto mechanics, welding, hydraulics, and electrical circuits is preferred.

The nature of the business may require extended work hours especially during the busy seasons. While performing the duties of the job, the employee regularly works outside near moving mechanical equipment and may work in high, precarious places. All established company personnel and safety policies must be followed at all times.

Physical Demands: The physical demands include lifting objects up to 50 pounds, climbing stairs and ladders, and the ability to talk and hear.

Travel: The employee may be required to travel to other locations, conferences, educational opportunities, and other job-related activities.

Other Duties: Please note this job description is not designed to cover or contain a comprehensive listing of activities, duties, or responsibilities that are required of the employee for this job. Duties, responsibilities and activities may change at any time.
